Hello cyclists.

You can find here many useless informations about bmx (over 10.000 files). A large part is in english so click on any red link you find and enjoy. If you want to add any memory, opinion, photo or information, feel free to send a message; your contributions are welcome.

Salut les francophones,

23mag est un recueil d'informations sur le bmx. Pour continuer de documenter ces pages, **je cherche** tout type de magazine, fanzine, bouquin, catalogue, ... traitant de BMX. Si vous ne souhaitez pas vous séparer de ces documents, vous pouvez tout de même m'aider en les scannant. Vos **souvenirs** aussi ont probablement une place pour eux dans ce site. N'hésitez pas à m'écrire ou à participer au forum pour les partager avec les visiteurs. Bonne visite.
